

EAN:	4013288031884	Size:	157x13x13 mm
Part number:	05118004001	Weight:	10 g
Article number:	2035 Micro	Country of origin:	CZ
		Customs tariff number:	82054000

- Kraftform Micro screwdriver for slotted screws
- Multi-component Kraftform Micro handle for fast and ergonomic screwdriving
- Anti-roll feature and swivel cap for rapid twisting
- The Wera Black Point tip offers an exact fit and optimum corrosion protection
- Take it easy tool finder: colour coding according to profile and size
- E.g. for electricians, opticians, precision mechanics, jewellers or IT hardware fitters

Premium Wera Micro screwdrivers for precision mechanical couplings. By supporting the hand on the rotating cap, and due to the fast rotating zone below the rotating cap, lightning fast turning is possible. Time-consuming hand switching is eliminated. The power zone with integrated soft zones ensures the transmission of high tightening and loosening moments. Precision zone for correct rotation angles whilst adjusting. The Wera Black Point tip offers fitting accuracy and optimised corrosion protection. "Take it easy" tool finder with size stamping and colour coding by profile for quick and easy identification of the required tool.

A close-up photograph of a hand holding a screwdriver. The hand is positioned to show the grip and the handle of the tool. The screwdriver has a black handle with green and red accents. The tip of the screwdriver is visible, pointing downwards.

A close-up photograph of a spray gun handle. The handle is black with green accents. A white circle highlights the trigger gun assembly, which is the part of the handle that the operator would use to activate the spray gun.
