

LC5 - Ref. 152180

## TECHNICAL CHARACTERISTICS

|                        |                                                                                                   |
|------------------------|---------------------------------------------------------------------------------------------------|
| Brand                  | Vignal                                                                                            |
| Product Type           | Complete lamp                                                                                     |
| Manufacturer           | Daf Trucks, Iveco, Manitou, Manitowoc, Nissan, Opel, Renault Trucks                               |
| Industry               | Agriculture, Construction, Forestry, Handling and Forklifts, Mining, Trucks, Vans and Chassis cab |
| Voltage                | 12 - 24V                                                                                          |
| Source                 | Bulbs                                                                                             |
| Connector              | AMP 1.5 - 7 pin rear connector                                                                    |
| Mounting Direction     | Horizontal+Vertical                                                                               |
| Side                   | Left/Right                                                                                        |
| Shape                  | Rectangle                                                                                         |
| Fixation Bolt Distance | 152 mm                                                                                            |
| Length                 | 350 mm                                                                                            |
| Width                  | 130 mm                                                                                            |
| Depth                  | 83 mm                                                                                             |
| Main Functions         | Indicator, Stop, Position, Reverse, Fog, Rear reflector                                           |
