IS4 designation 1/2:

Akku Mini LED Taschenlampe Single 600lm,Notlicht,Werkzeug,div.Funktion

Short description for the internet:

Brennenstuhl Mini LED Torch MTL 600 A (rechargeable Work Light 600lm, 7 light modes, key ring, bottle opener, bits and spanners for everyday use, emergencies or camping)

Website short text:

Mini LED Torch MTL 600 A (rechargeable Work Light 600lm, 7 light modes, key ring, bottle opener, work light with bits and spanners for everyday use, emergencies or camping)

Print short text:

Mini LED torch MTL 600 A, 600lm

Bulletpoint 1:

The multifunctional Mini LED Torch combines 6 practical functions: 7 light functions, window hammer, carabiner hook, bottle opener, 4 screwdrivers and 7 spanners - perfect for daily use, outdoors and emergencies, always to hand

Bulletpoint 2:

The Light has the switching levels: 100% cool white, 50% cool white, 100% warm white, 50% warm white, red light, flashing red (SOS) - by pressing and holding the switch, the cool white and warm white light illuminate simultaneously with a maximum of 600lm

Bulletpoint 3:

Thanks to its compact carabiner design, the Torch can be easily attached to your key ring or stowed away in your trouser pocket to save space - so it is always ready to hand and ready for use

Bulletpoint 4:

The Flashlight with a maximum light duration of 1.5 hours (at lowest switching level) can be used hands-free thanks to the 1/4 inch tripod device (tripod not included) and serves as an emergency tool with 4 bits (2x slotted, 2x Phillips) and 7 spanners

Bulletpoint 5:

The Inspection Light is equipped with a COB LED, a 3.7V/0.4Ah battery and a practical battery and charge level indicator - it can be charged in just 1 hour using the USB C cable supplied

**Online description:**

The Mini LED Torch MTL 600 A from Brennenstuhl combines 6 practical functions in a compact design: It has 7 different light modes, an integrated window hammer, a key ring with carabiner, a bottle opener, 4 bits (2x slotted, 2x Phillips), 7 spanners and a 1/4 inch tripod attachment - ideal for everyday use, when travelling or in emergencies. The light modes include 100% and 50% cold white, 100% and 50% warm white, red light and a red flashing SOS signal. When the switch is pressed and held, cold white and warm white can light up simultaneously with a maximum brightness of 600lm. It also impresses with the following features:

- * Integrated Li-Pol rechargeable battery 3.7V/0.4Ah with battery and charge level indicator
- * Light duration: max. 1.5h (at lowest switching level)
- * Charging time: 1h
- * COB LED
- * Colour temperature: 4000K - 6500K
- * Includes 30cm USB C charging cable

Website description:

The Mini LED Torch MTL 600 A combines 6 practical functions in a compact design: With its seven light modes - including 100% and 50% cold white, 100% and 50% warm white, red light and a red flashing SOS signal - it offers flexible lighting for any situation. By pressing and holding the switch, cold white and warm white light can be activated simultaneously, achieving a maximum brightness of up to 600lm. In addition to the light function, the Work Light has a window hammer, bottle opener, key ring with carabiner, four bits (two slotted, two Phillips), seven spanners in different sizes and a 1/4-inch tripod device, considerably extending the range of applications - whether for small repairs, camping or in emergency situations. It also impresses with the following features:

- * Integrated Li-Pol rechargeable battery 3.7V/0.4Ah with battery and charge level indicator
- * Light duration: max. 1.5h (at lowest switching level)
- * Charging time: 1h
- * COB LED
- * Colour temperature: 4000K - 6500K
- * Includes 30cm USB C charging cable
