

The professional battery grease gun.  
Heavy Duty, exceptional workload.

## PROFESSIONAL Battery Grease Gun 20 V/2.0 Ah

- Compact design for heavy duty
- Max. Pressure: 680 bar/ 10.000 psi
- 2 × Lithium-Ion Battery 20 V / 2.0 Ah
- 1 × Quick charger 230 V
- Integrated display with battery charge indicator
- Battery charging time: 60 min

# PROFESSIONAL Battery Grease Gun 20 V/2.0 Ah

Art. No. 18 051

## Heavy Duty

Compact, stable and ergonomic design

## Technical Data

Operating pressure max. (bar/psi): 400 bar / 5800 psi  
Maximum pressure (bar/psi): 680 bar / 10.000 psi  
Refilling options: 400 g grease cartridge DIN 1284, grease filling system or loose grease

## Scope of delivery

Carrying case, 1× High-pressure hose with anti-kink spring 11 × 1000 mm - 1× Precision Coupler – Retention adapter, G 1/8" female, M 10 × 1 male & NPT 1/8" female, M 10 × 1 male – 2× Lithium-ion 20 V / 2.0 Ah batteries – 1× Battery charger (230 V)

## Optional accessories

### 20 V / 4.0 Ah rechargeable battery

Art. No. 18 051 101

Lithium-ion battery 20 V/4.0 Ah can empty up to 50 cartridges per battery charge. With 100 bar back pressure up to 15 cartridges.

1× =  
50 CARTRIDGES
