Kramp Antifreeze Green Longlife

LONG-LASTING, HIGH-PERFORMANCE ANTIFREEZE

Art. No. OAT641*KR

Kramp Antifreeze Green Longlife is a high performance antifreeze based on ethylene glycol, which contains new generation hybrid corrosion inhibitors: phosphates and silicates (PSi-OAT). Kramp Antifreeze Green Longlife is new-generation antifreeze designed for use in sealed or unsealed cooling systems of automotive vehicles (internal combustion, hybrid, electric), trucks, tractors, and construction equipment's.

Properties

- Miscible and compatible with old Si-OAT hybrid coolants
- Forms a protective film on metal on contact
- Long-lasting protection at high temperatures
- Very good resistance to corrosion and cavitation at high temperatures
- Excellent thermal stability even for modern small-displacement engines subjected to high thermal loads
- Long-term protection thanks to organic corrosion inhibitors
- Does not contain amines, nitrates, phosphates, or borates

Use

Drain the entire cooling system. Comply with manufacturers' recommended draining frequencies. Because this coolant is concentrated, dilute it with de-mineralized water according to the dilution table below;

% volume of Antifreeze Green Longlife	Temperature protection range
35	- 20°C
50	- 37°C

To maintain the coolant's anti-corrosive properties, do not dilute below 33%.

Product data

Characteristics	Unit	Methods	Values*
Density 20 °C	g/cm³	ASTM D1122	1120
Ash content	%	ASTM D1119	4.5
Boiling point	°C	ASTM D1120	163
Alkalinity reserve	ml	ASTM D1121	9.1
Color	-	Visual	Blue Green

*are average values and may vary in the framework of the standard.

Compatible with vehicles requiring the following standards;
MAN 324 Type Si-OAT
DAIMLER DTFR 29C120
MTU MTL 5048
Deutz DQC CC-14
Case IH Agriculture
Caterpillar –MWM
Volvo 1286083
Jenbacher

Mercedes-Benz Cars 325.0 ; 325.6 ; 326.6
BMW LC 87, LC 97, LC 18
Chrysler MS 7170
TESLA
FIAT 9.55523

Health, Safety and Environment

This product is harmful if swallowed. It contains a bittering agent in accordance with Decree No. 95-326 of March 20, 1995. Keep out of reach of children. Do not swallow. Keep away from food and beverages, including those for animals.

Store in the original containers. Do not store in metal containers.
Use gloves, glasses and do not drink, eat or smoke while handling.

Use-by date: manufacturing date +36 months.
Store at room temperature in a closed warehouse
