Agrifluid HT

Description

Agrifluid HT is a modern, universal hydraulic and transmission oil. It is based on solvent-refined base oils, combined with additives. Agrifluid HT features the following properties:

- A very high and stable viscosity index
- A very low pour point
- Excellent oxidation stability
- Effective 'Extreme Pressure' and wear resistance
- Suitable for systems with wet brakes
- Outstanding resistance to rust and corrosion

Application

Agrifluid HT is a UTTO (Universal Tractor Transmission Oil), developed specially for everyday operating conditions in the agricultural industry. This universal oil has been developed as a lubricant oil for the hydraulic and transmission systems of the most common agricultural and earth-moving machines.
