

MANN-FILTER

Product information

No. 190
01.08.2024

TB 1374/13 x / TB 1374/3 x / TB 1374/4 x / TB 1364 x
White goes black.

MANN-FILTER is changing the paint finish of its standard air dryer cartridges from white to black.

In addition, the new black cartridges are provided with a GTIN and QR code, which enables direct access to the catalog from the cartridge.

The cartridges are of course still supplied with an O-ring.
